Hume Doors
(Australian Doors for all Horizons)

Care & Selection

Entrance Doors

When choosing a Hume entrance door consider if you intend to paint or stain as, stain or paint grade skins are available in most styles. The standard entrance door size is 2040 x 820 x 40mm or available in a wide selection of sizes at additional cost. Sidelites are available to compliment most door ranges and are 2040 x 400 x 40mm or made to special size at additional cost. Hi-lites to compliment single doors, combinations of pairs of doors or a door and sidelites combination may improve the overall grandeur of your entry way.

Internal Doors

Most interior doors are available in a wide selection of types and sizes including 2340mm high in selected models. Glass type internal doors can often have the same glass type as the entry doors, to carry a theme through the home, villa or unit.

Smart Robe

Sliding door wardrobe system. Supplied in knockdown form. Includes top and bottom aluminium tracks and dressed reveals. Doors fitted with adjustable heavy duty wheels.

Optional timber finger grips each side of door. Closing jambs included. Ideal for areas where space is limited. Enjoy the total concept of matched doors which are sure to compliment your décor.

All Smart Robe systems come with factory fitted heavy duty nylon wheels encased in a precision steel assembly unit.

Internal Pre-Hung

Imagine the benefits of installing top quality Hume doors already factory fitted with radius corner loose pin butt hinges, screwed to the door and jamb, and the face hole/latch hole drilled as necessary. Your talking about a time saving, cost effective system used by Australia's leading builders.
